**Cc:** Customer Service 1600  
**Subject:** 6242464

**Today's Date** : June 25, 2003

**Charge to Name** : Travers, Russell

**cc Customer Service** : 1600  
Tech Center

**Re Patent No** : 6242464

**Application/Serial No.** : 08/788881

**Response to applicant request for Certificate of Correction**

The following patented file identified above was sent to your location for a decision. It was requested that the decision be made and the file returned to the Certificates of Correction Branch in 7 days. Please return file with decision as soon as possible in order to ensure timely response to applicant request. Let's work together to provide quality customer service.

**Dispatch file to** : PALM location 7580

**Sent file to** : Certificates of Correction Branch  
PK3-915

JCWS, receive file that has been returned to this Branch/location, enter "Rec'd" date in CofC Database, and return file to the LIE. If location or date sent to location is missing, forward file to LIE's Team Leader to make appropriate correction to Database.
